

When his children showed me an FBI (not WC)  
memo on the interview with Annally I tell him it rep-  
resented what must be countless words not given to  
WC - FBI versions. Dater told him it had to reflect  
what in tonight's conversation I called a phone back  
channel. I tell him who to call & say at each next  
what to ask for telephone. Thus, he sent me the  
attached pages. They prove it has spotted a difference  
in what was actually said before I could amp up  
(was in hospital)... The FBI internal memo which  
was by Rosen to Belmont cc: deLoach & Sullivan  
is dated 12/13/63. The ~~Houston~~<sup>Huston</sup> interview was 12/11,  
dictated 12/12 & not typed until 12/13... It is in  
tracing this that I found diff of all these other  
versions & ~~reported~~<sup>reported</sup> some... They moved The Annally  
story today for Saturday use... I had told her I  
published the story cutting out 1 FBI version but  
if Jack would not credit use any way, it did,  
was embarrassed, spoke to Jack, & Jack offered  
plug for new book. I said I would do best  
in placing publicity but why would they not say  
I am the country's smallest publisher, at Fred.  
He likes this approach, thinks Jack will. Offered  
him several items from it. He is to call to-  
morrow. 10/28/75
